Genio Survey and Follow Up Questions

To make sure Genio Notes is a hit with your students, it's a great idea to get some feedback after the initial rollout.

A quick student survey can give you valuable insights into how they're finding Genio Notes and what's working well. Feel free to use these sample questions as a starting point for your own survey!

1. Did you use Genio Notes during the last semester?
Yes
No

2. Did you use Genio Notes for hybrid classes, remote classes, in person classes? Please select all that apply.
Hybrid classes
Remote classes
In person classes

3. If you were able to use Genio Notes for multiple class formats, did glean work better in any of the following settings?

Very helpful
Somewhat helpful
Not helpful

4. Please provide any comments or feedback on Genio Notes. Or a reason for if you have stopped using Genio Notes.

5. Would you rather have access to peer notes or Genio Notes?
