

Welcome to Genio

Boost your grades and support your studies

What are we going to cover?

- ✓ Why note taking is so important to your studies
- ✓ How **Genio** will help
- ✓ A demo of **Genio**

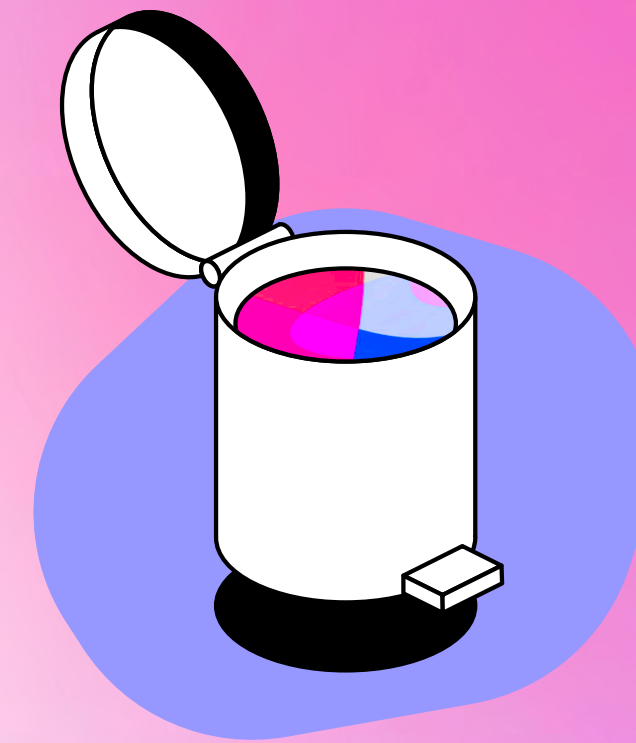

Why note taking is important?

65%

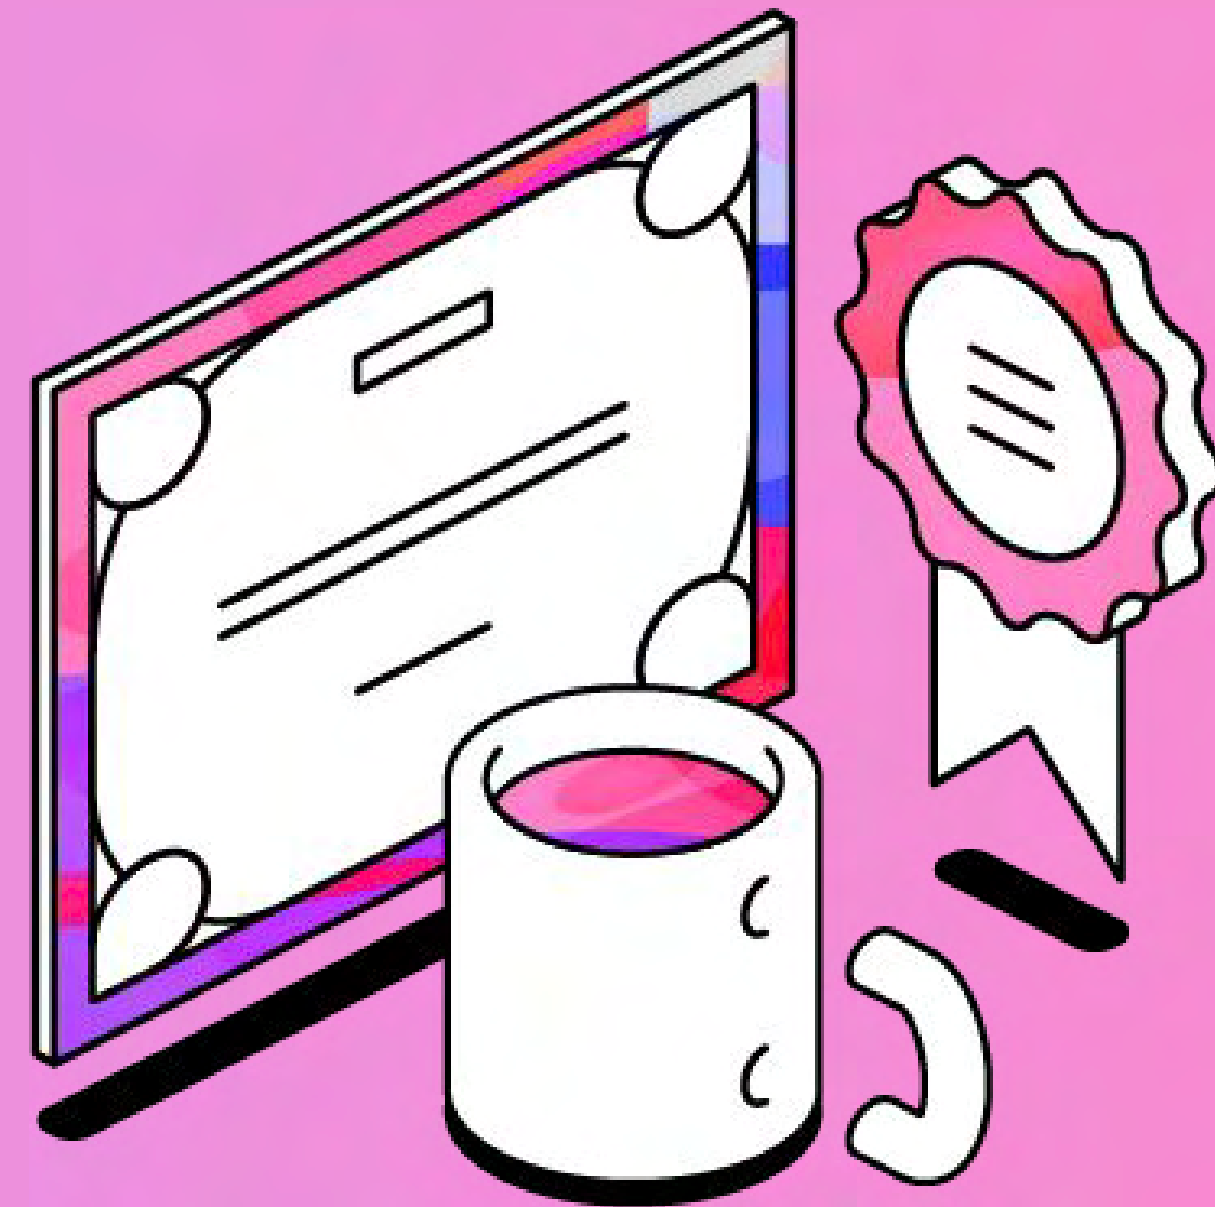

of information is left
behind in class if you
don't take notes

1/2

Without reviewing your
notes you will forget half of
your class after 24 hours

**91% improved their
GPA using Genio**
