

Genio Survey and Follow Up Questions

To make sure Genio Notes is a hit with your students, it's a great idea to get some feedback after the initial rollout.

A quick student survey can give you valuable insights into how they're finding Genio Notes and what's working well. Feel free to use these sample questions as a starting point for your own survey!

1. Did you use Genio Notes during the last semester?

Yes

No

2. Did you use Genio Notes for hybrid classes, remote classes, in person classes? Please select all that apply.

Hybrid classes

Remote classes

In person classes

3. If you were able to use Genio Notes for multiple class formats, did Genio work better in any of the following settings?

In person class

Online class

4. Please provide any comments or feedback on Genio Notes. Or a reason for if you have stopped using Genio Notes.

5. Would you rather have access to peer notes or Genio Notes?

6. Have you attended a Genio Live Tutorial session since signing up?

Yes

No

7. If yes to the above question - which session did you attend?

Basic

Pro
Both

8. How confident did you feel BEFORE the session? (0 Not confident at all to 5 yes very confident!)

9. How confident did you feel AFTER the session? (0 Not confident at all to 5 yes very confident!)

10. Is there anything else you would like to see in the Live Tutorial sessions that weren't included?
