Glean

Did you know that great notes make great grades?

But did you know you can make your notes great **for free?** 🤩

Introducing **Glean** 👋

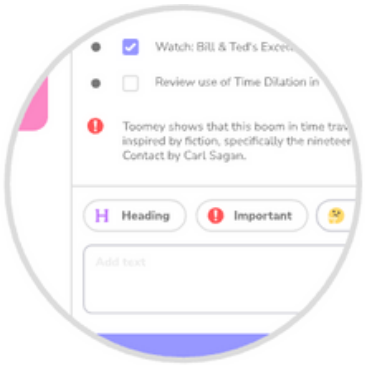
Glean

How can Glean help?

Glean is an intuitive note taking tool that allows you to:

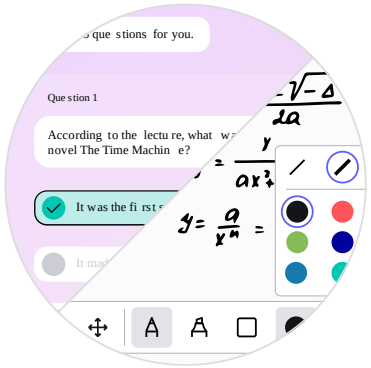
Record your lectures

- In-person or virtually.
- On your phone, mobile or tablet
- Online and offline



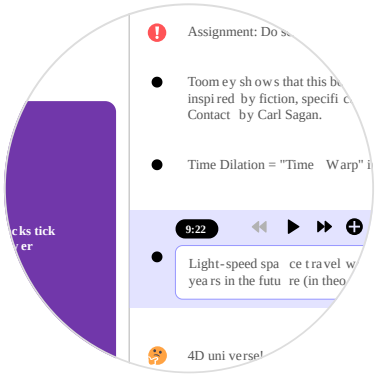
Focus in class

- Time stamp important details
- Set tasks with due dates
- Insert definitions



Study effectively

- Hand write or type
- Draw diagrams and equations
- Generate AI quizzes



Add classroom visuals

- Upload slides
- Search for web images in-app
- Add photos from your device

Glean keeps everything in one place, for whenever and wherever you need it!

Glean

How to get started?

It takes 3 steps:

1. Go to the sign up page: https://app.glean.co/sso-sign-up

On your phone? Scan the QR code and download the mobile app first!

2. Enter your university or institutional email to sign up

3. Start using Glean!
